**YOUTH SUICIDE PREVENTION:  
WHAT YOU CAN DO**

There is no single cause of suicide. No one cause or event makes a person consider suicide. Suicide is a result of multiple stressors that make an individual feel out of control, hopeless or unable to change what is happening.

**Text 4hope to 741 741** Crisis Text Line serves young people in any type of crisis, providing them access to free, 24/7, emotional support and information they need via the medium they already use and trust: text messaging. ### WARNING SIGNS

Each year in the United States, people of all ages complete suicide. Of these individuals, approximately 80% have given warning signs to their families, friends and neighbors.

- Talking or writing about suicide
- Giving away belongings
- Withdrawing from loved ones and activities
- Feeling hopeless, helpless, worthless
- Seeking ways to suicide, such as guns or pills
- Major eating or sleeping changes
- Increasing use of alcohol or other drugs
- Losing interest in things previously enjoyed

### CRISIS RESOURCES

Suicide can be prevented. Counselors are available 24 hours/7 days a week/365 days a year. If you or someone you know are in crisis, please immediately contact:

- Call **330-452-6000**, the Stark County Crisis Hotline, anytime
- Text **4hope to 741 741**, Crisis Text Line, anytime
- Call **1-800-273-TALK (8255)**, the National Suicide Prevention Lifeline anytime
- Call **9-1-1** if emergency services are needed. If requesting law enforcement, you can ask for a Crisis Intervention Team (CIT)-trained officer.

What can you do about youth suicide prevention? Resources, talking points and shareable downloads are available. Spread the word and begin conversations with young people in your life. Learn more at [StarkMHAR.org/YouthSuicidePrevention](https://StarkMHAR.org/YouthSuicidePrevention)

### MENTAL HEALTH FIRST AID TRAINING FOR YOUTH

Youth Mental Health First Aid is designed to teach parents, family members, caregivers, teachers, school staff, peers, neighbors, health and human services workers and other caring citizens how to help an adolescent (age 12-18) who is experiencing a mental health, addiction or crisis.

The course introduces common mental health challenges for youth, reviews typical adolescent development and teaches a 5-step action plan for how to help young people in both crisis and non-crisis situations.

## StarkMHAR Care Network

Stark County residents can access behavioral health services regardless of their ability to pay through the Stark County Mental Health & Addiction Recovery (StarkMHAR) Care Network. StarkMHAR funded service providers accept various insurance programs, Medicare and Medicaid. Stark residents that are not covered by one of those options can receive services. Their ability to pay for those services will be determined by their income and could be fully subsidized by StarkMHAR. Learn more at [StarkMHAR.org/CareNetwork](https://StarkMHAR.org/CareNetwork)
