

# CREATING A WORLD WHERE THERE ARE ONLY ABILITIES

## AKRON ROTARY CAMP OVERNIGHT CAMP PROGRAMS

**Overnight Camp** is our flagship program. Children and adults with disabilities learn new skills, develop friendships, and gain independence through this one week overnight experience. While at camp, campers participate in traditional camping activities, which include swimming, kayaking, campfires, songs, crafts, games, and much, much more!

At our children's Overnight Camps there are two counselors to every six campers. Other staff on site includes the directors, program coordinators, and nursing staff. Staff will work with families, teachers, and other support services to help provide successful experiences.

### Adult Overnight Camp

Our adult camps are the fastest growing programs each summer. These overnight experiences are designed for campers 18 and over. Many of the campers have "graduated" from the children's program and wish to continue to be a part of the Rotary Camp family. Others have never been to camp before and are looking for a non-traditional vacation that promotes independence, socialization, and just plain fun! There are two counselors to every eight adult campers in this specific program.

### \*\*New For 2019

Every week is Siblings Week! The siblings of our campers with special needs can choose the week(s) that work best for the family.

**Join us for our SATURDAY Open Houses: 2-4 p.m.**
