

# CREATING A WORLD WHERE THERE ARE ONLY ABILITIES

## RESPIRE PROGRAMS

**Respite Weekends** are fun-filled weekend camp-outs held throughout the year at Rotary Camp. Children and adults with disabilities are eligible to attend. Campers arrive on Friday evening and stay through Sunday morning. Throughout the weekend campers enjoy traditional camp activities, as well as special seasonal ones. These weekends are great opportunities for campers to see their old friends and make new ones as well. It's also a great way for a first-time camper to gain a short overnight experience.

Camper drop off is from 6pm-7pm on Friday.

Camper pick-up is between 10am-11am on Sunday.

### Day Respites

We also provide Sunday day respite programs once a month from September through May. These respite groups provide a chance for children with special needs another opportunity to interact with our well trained staff, and engage in fun and developmentally appropriate camp activities. Sunday day respites run from 1:00pm-5:00pm.

### School's Out Day Respites

Our School's Out Day Respites were designed to give campers a safe place to go on days that they do not have school, but parents/guardians/caregivers may still have to work. Our 7 hour program, which runs from 8:30am-3:30pm will take place on select days throughout the year.

### One Night Respite Getaway

The One Night Respite Getaways are specifically designed for campers who have never had an overnight experience with us. Friday Check-in: 6-7pm. Saturday Pick-up: 1pm

Spots are limited, - register today!
