## Sensing Connections - Level 1: Peer-to-Peer Grief Support for Families of Children with Deaf-Blindness

These web-based, peer-to-peer meetings allow parents who have lost a child an opportunity to process their grief and learn coping strategies that have helped others. The meetings will be held on Wednesday evenings at 5:30 PT/6:30 MT/7:30 CT/8:30 ET for 90 minutes. We ask interested parents to commit to the entire 6-month series (10 total meetings). Enrollment is free. All participants are sent a participant packet with descriptions of the topics that will be covered at each meeting and suggested resources.

## Sensing Connections - Level 2: A Community of Families Celebrating their Loved Ones with Deaf-Blindness

These web-based, peer-to-peer meetings are intended for individuals who have completed the Level-1 sessions and want continued peer support. Meetings occur once a month on Wednesday evenings for 60 minutes. Group members can attend any meetings of interest to them, but unlike the Level-1 group meetings, are not asked to commit to all. Enrollment is free. Members share responsibility for determining discussion topics and assist in leading the meetings. Some meetings will feature guest speakers, journaling and/or review of books, as determined by the group.
