

Mission Statement

The mission of the Family Advisory Committee is to assure all Stark County families are provided services that meet each child and family's individual needs. Through education and collaboration we partner with systems and agencies to advocate for high quality services and support.

The Family Advisory Committee is committed to:

- * Advocating for and informing families of their specific rights and responsibilities.

- * Giving Stark County families a voice individually and collectively.

A Voice for Families!

WHAT IS FAMILY SUPPORT ADVOCACY?

- Promoting the understanding that parents are the foremost expert on their child.
- Empowering parents to advocate on behalf of their children.
- Provide support so families will not feel alone or left out of difficult decisions.
- Share resource information on services such as parent support groups, child development, etc.
- Enhance parents' ability to build good working relationships between themselves and service providers

The Stark County Family Council Family Advisory Committee

We are a committee of the Stark County Family Council dedicated to giving Stark County families a voice in the types of services they may need and the way those services are delivered.

Where families can come together and be heard.

We, as experienced families, can help you to:

- ⇒ **Connect to a Family Support Advocate**
- ⇒ **Locate services, trainings and educational resources**
- ⇒ **Link to other families for support**
- ⇒ **Explore new ways to meet your needs**

To contact the Family Advisory Committee, please call the number below and leave a message. We will get back to you as soon as possible.
