

Vital Connections

Connecting Employers and Educators

June 5, 6, 7

Open to K-12 Educators from Ashland, Holmes, and Wayne Counties

- Three day professional development (participants must attend all three days)
- Educators will meet daily at the Wayne County Schools Career Center (WCSCC), board a bus, travel together to various area businesses, and return to WCSCC at the end of the day
- Businesses will share information about labor trends, employability, and how what you teach in the classroom connects to the workforce
- Opening session will include HR representatives from area businesses
- Closing session will include collaboration time
- Lunch will be provided each day for all participants
- Registration is Free!
- Continuing Education Information: Graduate Credits (1 or 2 - \$175.00 per credit) will be available through Ashland University or 2.1 CEUs from Tri-County Educational Service Center (graduate credit information/registration will be provided during opening session)
