

Mark Your Calendar! Red Flags Implementer Trainings 2019/2020 School Year

A Framework and Toolkit for Mental Health Education

- Foundational to teaching and learning
- Brief and easy to implement
- Reproducible mental health information for the whole school community:
 - Teachers and school staff
 - Parents and care-givers
 - Video based curricula for middle-school students
- Flexible, based on the needs of the school
- Inexpensive
- Recommended by the Ohio Attorney General's Recommendations for School Safety, Ohio Mental Health Network for School Success, Miami University Center for School Based Mental Health Programs

- | | |
|----------------------------------|--------------------------|
| • October 29th | Madison-Champagne |
| • October 30th | Cincinnati |
| • January 9th | Summit |
| • January 22nd | Cambridge |

Recommended for: Counselors, Psychologists, Nurses, Health Teachers, Social Workers, School Administrators, Parent Mentors

Fee: \$25

Cost of Red Flags Kit: \$300* *Kit need not be purchased prior to attending training

Description:

The Red Flags Training for Implementers introduces school counselors, health teachers, school psychologists and school nurses to the Red Flags Framework and Toolkit for mental health education. Participants will learn how to bring the entire school community together to expand mental health literacy; promote sound mental health habits; and develop a school-wide protocol to identify, refer, and accommodate students with developing mental health concerns.

Go to <http://www.redflags.org/trainings> for more information and to register. Register early, as space is limited.
